lending service of

MEETING

Meeting with our Mortgage Advisor will be set to discuss and understand what you're looking to achieve.

SECURE PLATFORMS

Your personal details, requirements & objectives, along with supporting documents will be captured through secure online platforms. Your data privacy is our highest priority and will be handled with the utmost care.

ANALYSIS AND OPTIONS

We will analyse your financial situation and look for the most suitable lender for your needs. You will be presented with lender options to help you make an informed decision over your preferred choice.

LOAN ASSESSMENT

The lender will assess your application and provide Conditional and/or Unconditional Approval. We will advise you of any additional requirements requested by the lender and keep you informed every step of the way.

LOAN APPLICATION

Credit Proposal outlining your preferred loan structure along with Compliance Documents and Lender Pages will be sent to you and once acknowledged and signed will be submitted to the lender of your choice.

LOAN DOCUMENTS

With successful loan approval, Mortgage Documents will be issued to you, and we will guide you in having them verified, signed, and returned to the lender for settlement preparation.

LOAN SETTLEMENT

We will work together with you and lender solicitors to ensure a smooth and timely settlement for you. Your mortgage journey will also be complemented by our continued post-settlement support in years to come.
